

EIGHTH INTERNATIONAL CONGRESS OF APPLIED CHEMISTRY

The Secretary is in receipt of the following invitation:

The officers and members of the Executive Committee of the Eighth International Congress of Applied Chemistry have the honor to invite American Microscopical Society to join the Congress and to take part in its proceedings. The opening meeting will be held in Washington on Wednesday, the fourth of September, 1912, and the subsequent meetings in the City of New York, closing on Friday, the thirteenth of September.

Please send reply to Doctor Bernhard C. Hesse, Secretary, Twenty-five Broad Street, New York.
